1. INTRODUCTION: ONTARIO FRENCH-SPEAKING SKILLED WORKER STREAM

A. What is the Ontario French-Speaking Skilled Worker Stream?

The Ontario French-Speaking Skilled Worker Stream is for French-Speaking skilled workers who have strong English language abilities and who want to live and work permanently in Ontario. This stream enables the Ontario Immigrant Nominee Program (OINP) to nominate individuals who have qualified for Citizenship and Immigration Canada’s (CIC’s) Express Entry pool and who have the required education, skilled work experience, language ability, and other characteristics to help them successfully establish and integrate into Ontario’s labour market and communities.

Ontario is committed to increasing francophone immigration to 5% of overall immigration to the province. This stream is intended to support immigration by French-speaking candidates who also have sufficient English-language ability to succeed in Ontario’s labour market.

B. How does the Stream work?

**Note:** You may not apply directly to the French-Speaking Skilled Worker Stream. You must have received a Notification of Interest from Ontario through your MyCIC account before you can apply to OINP under this stream.

**Step 1** **Register for Express Entry**
- You must register for CIC’s Express Entry system. Once you do, you will receive an Express Entry Profile Number and a Job Seeker Validation Code (also known as Candidate Identifier Code). You will need these to complete your Nominee Application Form.

*For further information on how to register for Express Entry and more information on federal immigration programs, please visit the following website: [http://www.cic.gc.ca/english/immigrate/express/express-entry.asp](http://www.cic.gc.ca/english/immigrate/express/express-entry.asp)*

You must provide accurate and truthful information in your Express Entry Profile. If the information in your Express Entry Profile is inaccurate or not truthful, your application could be denied or your nomination withdrawn. CIC could also find you inadmissible and/or bar you from applying to immigrate to Canada for five years. For more information, please visit the CIC website: [http://www.cic.gc.ca/english/immigrate/skilled/pool.asp](http://www.cic.gc.ca/english/immigrate/skilled/pool.asp)

- When you register for Express Entry, you must indicate your interest in immigrating to either Ontario or “All Provinces and Territories.”
You must qualify for one of two CIC economic immigration programs: the Federal Skilled Worker Program (FSWP) or the Canadian Experience Class (CEC).

See Appendix 1 for more information on the FSWP and CEC criteria or visit the CIC website: http://www.cic.gc.ca/english/immigrate/eligibility.asp

Step 2  **OINP identifies candidates in Express Entry pool**

- OINP searches the Express Entry pool and identifies potential candidates who meet the French-Speaking Skilled Worker Stream criteria (see Section 2 for more information):
  1. Minimum of Canadian Language Benchmark (CLB) level of 7 in French and CLB 6 in English;
  2. Minimum work experience as defined by Ontario for either the FSWP or the CEC candidates;
  3. Equivalent of a Canadian Bachelor’s degree or above;
  4. Sufficient settlement funds; and
  5. An intention to reside in Ontario.

- If OINP identifies you in the Express Entry pool, you will receive a PT Notification of Interest from Ontario through your MyCIC account. This notification will invite you to apply to OINP for nomination under the French-Speaking Skilled Worker Stream.

Step 3  **Apply to OINP under the French-Speaking Skilled Worker Stream**

- After you receive a PT Notification of Interest from Ontario through your MyCIC account, you have 45 days to apply to OINP under the French-Speaking Skilled Worker Stream. If the deadline to submit the application falls on a weekend or a statutory holiday, the deadline to submit the application will be extended to the next working day.
- To apply, fill out the Nominee Application Form (see Section 4 for instructions on completing the form) and ensure that you have all the required supporting documents (see Section 3).
  - All applicants must indicate which federal immigration program they wish to be assessed against: FSWP or CEC.
- OINP will assess your nomination according to the French-Speaking Skilled Worker Stream eligibility criteria. Your application will also be assessed to ensure you meet the FSWP or CEC criteria.

Step 4  **Accept nomination from Ontario and apply for permanent residency**

- If your application is approved by Ontario, you will receive a letter from OINP through your MyCIC account notifying you of your nomination. You have 30 days to accept the nomination from Ontario in the Express Entry system.
- Nomination from Ontario will give you an additional 600 CRS points and you will receive an invitation to apply for permanent residency from CIC.
- Once you receive an invitation to apply from CIC, you have 60 days to apply to CIC for permanent residency.
For more information on CIC’s application process for permanent residency for provincial nominees through the Express Entry system, please visit: http://www.cic.gc.ca/english/immigrate/provincial/index.asp

- During the assessment of applications for permanent residency, CIC reviews applicants for admissibility, including health, security, and criminality checks as per Canada’s Immigration and Refugee Protection Act. CIC will also verify all information provided by applicants to register for Express Entry.

**Note:** If you receive and accept an Invitation to Apply (ITA) from CIC or a nomination from another province or territory after you have already applied to OINP, your application fee to OINP will not be refunded. Application fees are non-refundable even if an application is withdrawn or denied, as they cover OINP’s cost of processing applications.

**C. Who may not apply?**

You may not apply to OINP under the French-Speaking Skilled Worker Stream if:

- You have not received a PT Notification of Interest from Ontario through your MyCIC account;
- You are a refugee claimant in Canada; and
- You were not accepted into the Express Entry pool.

**Disclaimer**

- Please note that applicants who meet Ontario’s stream criteria may not necessarily receive a Notification of Interest. Ontario cannot guarantee that applicants will receive any particular result or benefit as a result of meeting its criteria.

**IMPORTANT: NOTE ON REFUGEE CLAIMANTS**

Refugee claimants may not apply to OINP while they are in Canada. Refugee claimants whose claim has been rejected, abandoned, or withdrawn must exit Canada prior to applying for OINP. Refugee claimants whose applications to remain in Canada are pending are not eligible to apply for the OINP.

For more information related to refugee claimants, visit the Citizenship and Immigration Canada website: http://www.cic.gc.ca/English/refugees/index.asp
IMPORTANT: INCOMPLETE APPLICATIONS

Incomplete Nominee applications will not be accepted by OINP and will be returned to you. An application may be deemed incomplete if:

- The Nominee Application Form is illegible or incomplete (all fields must be completed and questions that are not applicable should be marked “N/A”);
- The required supporting documents are not provided;
- Documents requiring translation are not certified or notarized; or
- The application fee is not included in the application package or is submitted in an incorrect amount.

Application fees included in an application package will also be returned to you if the application is deemed incomplete.
2. ELIGIBILITY CRITERIA

To be eligible to apply for the Ontario French-Speaking Skilled Worker Stream, you must also meet the following provincial criteria:

1. **Work Experience:** All applicants require a minimum level of work experience:
   - If you choose to be assessed against the FSWEP criteria, OINP requires that you have a minimum of one year of continuous and full-time employment (1,560 hours or more) or an equal amount in continuous part-time paid work experience in a N National Occupation Classification (NOC) level 0, A, or B occupation in the past five years from the date of the PT Notification of Interest from Ontario. The one year minimum of continuous and full-time (or equivalent continuous part-time) employment must have been completed in one specific NOC occupation.
   - If you choose to be assessed against the CEC criteria, OINP requires that you have a minimum of one year of cumulative and full-time employment (1,560 hours or more) or an equal amount in part-time paid work experience in a NOC 0, A, or B occupation in Canada in the past three years from the date of the PT Notification of Interest from Ontario.

   See Section 3.1 for further information.

2. **Education:** All applicants must have a Canadian Bachelor’s, Master’s or Ph.D. degree or an Educational Credential Assessment (ECA) report produced by a designated organization indicating that your foreign education is the equivalent of a Canadian Bachelor’s, Master’s or Ph.D. degree. See Section 3.2 for further information.

3. **Language Requirements:** All applicants must have a French-language level of Canadian Language Benchmark (CLB) 7 or above in all language competencies (reading, writing, listening, and speaking) and an English-language level of CLB 6 in all competencies. Acceptable tests for language ability are: International English Language Testing (IELTS) (General Training Test only) or Canadian English Language Proficiency Index Program (CELPIP) (General Test only) for English testing and Test d’Evaluation de Français (TEF) for French testing. See Section 3.3 for further information.

4. **Settlement Funds:** All applicants must possess sufficient funds and/or income to cover settlement costs in Ontario. Funds must be unencumbered, readily transferable in a convertible currency, and supported by bank
statements. Income may be demonstrated from ongoing employment in Ontario or a valid job offer in Ontario (note that you must be able to legally work in Ontario). See Section 3 for further information.

5. **Intention to Reside in Ontario:** All applicants must have an intention to reside in Ontario, as demonstrated by a statement of intent and indication of ties to Ontario. See Section 3.5 for more information.

**Assessment against FSWP criteria**
Additionally, if you choose to qualify under the FSWP criteria, you will also be assessed against CIC’s six selection factors to ensure you meet the minimum of 67 points for the FSWP. You may earn additional points if your spouse or common-law partner has, for example, Canadian education and/or work experience or other adaptability factors. The FSWP selection factors and points grid are below:

**Pass mark: 67 out of 100 points**

*Note:* OINP will only consider arranged employment in Ontario. Arranged employment outside Ontario would contradict your statement of intent to reside in Ontario and result in a denial of your application to OINP. Where there is a conflict between OINP and CIC eligibility criteria, OINP criteria will prevail in the assessment of your nominee application.

For more information on the FSWP criteria, see Appendix 1. You are advised to consult the CIC website while preparing your submission to ensure that you have the most-up-date information at:

*Note:* Nomination by OINP does not guarantee approval for Permanent Resident status by CIC. Applications for Permanent Resident status must meet all of the eligibility criteria as defined by CIC, and it is the nominee’s responsibility to ensure that the information provided at registration for the Express Entry pool and in the nominee application submitted to OINP is consistent at the time of application for permanent residence submission to CIC.
3. SUPPORTING DOCUMENTS

The Nominee Application Form must be accompanied by a number of supporting documents which help establish that you meet the applicable eligibility criteria – both the OINP criteria and the FSWP or CEC criteria. You can use the checklist at the end of the Nominee Application Form to ensure that you have included all of the required supporting documents.

You must **send only copies** of supporting documents **unless otherwise stated.** **Do not submit originals of civil documents** (i.e., birth certificate or passport) as the application documents will not be returned. You are strongly encouraged to create a copy of your complete application package prior to submission.

Officers assessing the application may request additional documents that are not listed among the supporting documents below if they deem that these documents are necessary to assess the application. Failure to provide the additional documents in the timelines requested by the officers will result in the refusal of the application.

---

**IMPORTANT: DOCUMENT TRANSLATION**

If a supporting document is not in English or French, you must provide a copy of the document and a complete, certified translation of the document.

If you are applying from within Ontario, the translations must be completed by a **certified translator** accredited by the Association of Translators and Interpreters of Ontario (ATIO). For more information on certified translators in Ontario, visit [http://www.atio.on.ca/](http://www.atio.on.ca/)

If you are applying from outside Ontario, the translation can be completed by any translator. However, the translation must be **notarized**. OINP reserves the right to require you to submit translations completed by a certified translator accredited by ATIO if the notarized translation is deemed insufficient by officers assessing the application.

Applications with translations that are not complete, certified or notarized are considered incomplete and will not be processed.

Translations that are completed by the applicant, the applicant’s representative, or other individuals with personal ties to the applicant are not acceptable in any case even if these individuals are certified translators.
3.1 WORK EXPERIENCE

**FSWP Candidates**
If you choose to be assessed against FSWP criteria in your application to the Ontario French-Speaking Skilled Worker Stream, OINP requires that you have a minimum of one year of continuous and full-time employment (1,560 hours or more) or an equal amount in continuous part-time paid work experience in a NOC 0, A, or B occupation **in the past five years from the date of PT Notification of Interest from Ontario**. Applicants assessed against Federal Skilled Worker Program can demonstrate work experience obtained in Canada or overseas. The one year minimum of continuous and full-time (or equivalent continuous part-time) employment must have been completed in one specific NOC occupation.

You can obtain additional points on the FSWP points grid for continuous part-time work experience in a NOC 0, A, or B occupation from the date of the PT Notification of Interest from Ontario if you have also separately satisfied the requirement of having one year of continuous and full-time paid work experience as described above.

**CEC Candidates**
If you choose to be assessed against Canadian Experience Class criteria in your application to the Ontario French-Speaking Skilled Worker Stream, OINP requires that you have a minimum of one year of cumulative and full-time employment (1,560 hours or more) or an equal amount in part-time paid work experience in a NOC 0, A, or B occupation **in Canada in the past three years from the date of the PT Notification of Interest from Ontario**. Self-employment and work experience gained while you were a full-time student (for example, on a co-op work term) does not count under this stream.

The full-time work experience requirement may be met by the equivalent in part-time, paid work experience (e.g., more than one part-time job held simultaneously or one or more part-time jobs held over the equivalent of at least one year of full-time work). For example, 15 hours/week for 24 months = 1 year full time (1,560 hours).

**Supporting documents (FSWP and CEC)**
You must submit the following documents to prove your work experience if you choose to be assessed against FSWP criteria or CEC criteria:

- Copy of current résumé indicating relevant work experience.

Any unauthorized periods of work in Canada cannot be considered.

**Working in a regulated occupation in Ontario**

If you are currently working or have worked in an occupation that is regulated in Ontario which requires mandatory certification or licensing in Ontario, you must submit proof of your certification or license. For more information on regulated professions in Ontario, visit: [http://www.ontarioimmigration.ca/en/working/OI_HOW_WORK_PROF_PROFS.html](http://www.ontarioimmigration.ca/en/working/OI_HOW_WORK_PROF_PROFS.html)

For more information on trades that require mandatory certification in Ontario, visit: [http://www.collegeoftrades.ca/](http://www.collegeoftrades.ca/)

For further information on ECA, visit: http://www.cic.gc.ca/english/immigrate/skilled/assessment.asp

You must submit the following documents to verify your education:

• If you have a Canadian degree, provide the following documentation:

**IMPORTANT: KEEPING LANGUAGE TEST RESULTS CURRENT**

The IELTS, CELPIP, or TEF tests need to be taken within 24 months of application submission to ensure the results are valid at the time of permanent residence processing.

OINP recommends you take your official language tests within one year of submitting your application to OINP to ensure that your results are valid when you submit your application for permanent residency to CIC. If your results expire before you apply for permanent residency, you will need to retake the tests.

3.4 SETTLEMENT FUNDS

You are required to demonstrate a minimum level of savings/income to support yourself and your dependent family members. Your dependents include both the family members in your household who are accompanying you to Ontario and those who are not accompanying you.
For a definition of who is considered a dependent, please visit:
http://www.cic.gc.ca/english/helpcentre/glossary.asp#d

For documents to prove your current employment or arranged employment, see Section 3.1.

OINP must be satisfied that funds are unencumbered and readily transferable in a convertible currency. You must be able to use this money to pay the costs of living for you and your dependent family members whether or not they are accompanying you to Ontario.

The minimum amount of funds is based on the number of family members in your household in accordance with the Low Income Cut-Offs (LICO). These amounts are updated every year. The number of family members in your household includes you and both your accompanying and non-accompanying dependents.

If the number of family members in your household changes (e.g., through marriage, birth of a child, death, divorce, etc.), you must inform OINP. See Section 7.1 on Changes in Personal Circumstance.

For more information on LICO, visit http://www.cic.gc.ca/english/immigrate/skilled/funds.asp

**Part J: Application Checklist**

Check the appropriate boxes to indicate that you have included all of the required supporting documents in your application package.

5. DESIGNATING A REPRESENTATIVE

5.1 AUTHORIZING A REPRESENTATIVE

You are not required to hire a representative. However, if you receive help from an individual in applying to OINP and you wish to authorize this individual to act on your behalf with OINP, you must submit the Authorizing or Cancelling a Representative Form with your application.

You may only have one representative at a time, and this representative may only be appointed through the Authorizing or Cancelling a Representative Form. If a new representative is appointed, the previous representative will no longer be authorized to conduct business on your behalf, or receive information about the application.

To learn more about using a representative, visit: http://www.cic.gc.ca/english/information/representative/

Paid Representatives must be authorized representatives as defined by Canada’s Immigration and Refugee Protection Act2. Paid representatives are:

- Immigration consultants who are members in good standing of the Immigration Consultants of Canada Regulatory Council (ICCRC);
- Lawyers who are members in good standing of a Canadian provincial or territorial law society, along with students-at-law under their supervision;
- Notaries who are members in good standing of the Chambre des notaires du Quebec.

If an applicant authorizes a paid representative who does not qualify as a paid representative under the Immigration and Refugee Protection Act, you will be contacted by OINP and advised that the individual must be removed or replaced as your representative. If you designate a new authorized representative, any communications will be forwarded to the new representative. Otherwise, processing of your file will continue without representation.

7. AFTER SUBMISSION

OINP aims to complete assessment of nominee applications within 90 calendar days of receipt of a complete application.

You will receive an acknowledgement letter from OINP to indicate that your application has been received if your application is complete.

Case specific status inquiries must be made in writing and addressed to the OINP at ontarionominee@ontario.ca or sent by mail to the address provided in Section 6.

Enquiries made within 90 calendar days of the date the application was received by OINP will not be answered, as this period is the usual processing period for applications and program resources will be concentrated on completing application evaluations.

7.1 CHANGES IN PERSONAL INFORMATION AND CIRCUMSTANCES

OINP must be notified if there are any changes to your personal information or circumstances as detailed on your Nominee Application Form, including (but not limited to):

Failure to notify OINP of any changes to personal information will affect the outcome of OINP and CIC applications.

Note that changes in personal circumstances that result in additional dependents in your household (e.g., marriage, birth of a child, etc.) will require additional settlement funds, regardless of whether or not the additional dependent(s) is/are
accompanying you to Canada. Failure to notify OINP of this change and failure to provide evidence of the required funds will result in the denial of your application. Please see Section 3.4 of this guide for more information on settlement funds.

Additional supporting documents may be submitted by mail, fax or email if they are related to changes in your mailing address, contact address, accompanying dependents, designated representatives, and education, or if the additional information is specifically requested by OINP.

However, sending sensitive personal information through unsecured email channels is risky, and is strongly discouraged by OINP. Users assume the risk associated with any electronic transfer of information to OINP, and OINP is not liable for any damages that may arise from interception, loss, theft or other action regarding your personal information while in transit.
8. AFTER NOMINATION

If your application is successful, OINP will enter the details of your nomination into CIC’s Express Entry system and you will receive a notification of your nomination through your MyCIC account. This notification will explain the next steps for accepting or refusing the nomination.

1. After OINP adds your nomination information to your Express Entry profile, you will have 30 days to accept the nomination in the Express Entry system. With the additional 600 points awarded for a nomination, you will receive an Invitation to Apply for permanent residency from CIC through your MyCIC account.

2. **CEC CRITERIA**

If you choose to be assessed against the CEC criteria, you will need to meet the following eligibility requirements.
You are advised to consult the CIC website while preparing your submission to ensure that you have the most current information: http://www.cic.gc.ca/english/immigrate/cec/apply-who.asp

1. Skilled work experience
You must have at least 12 months of full-time (or an equal amount in part-time) cumulative paid work experience in Canada in a NOC level 0, A, or B occupation in the three years before you apply. You must have gained your work experience with the proper authorization.

Note: Self-employment and work experience gained while you were a full-time student (for example, on a co-op work term) does not count under this program.

2. Language ability
You must meet the minimum language level of CLB 7 for NOC 0 or A jobs OR CLB 5 for NOC B jobs.

Note: The French-Speaking Skilled Worker Stream requires ALL applicants to have language levels of French CLB 7 and English CLB 6 regardless of occupation.

3. You must plan to live outside the province of Quebec.

Note: Planning to live outside of Ontario can be deemed to contradict your statement of intent to reside in Ontario and can result in a denial of your application to OINP. Where there is a conflict between OINP and CIC eligibility criteria, OINP criteria will prevail in the assessment of your nominee application.

4. You must be admissible to Canada.

Note: OINP will not assess your admissibility to Canada. CIC will review applicants for admissibility, including health, security, and criminality checks as per IRPA during the assessment of applications for permanent residency.
